

## Notification for the International Hydrogen and Fuel Cell Vehicle Congress & Exhibition 2026 (FCVC 2026)

Distinguished guests, partners, and industry peers,

In the context of global climate change mitigation and energy transition, hydrogen energy, as a pivotal vehicle for achieving carbon neutrality, is evolving from blueprint to reality, emerging as a strategic emerging industry pursued by nations worldwide. Major global economies have identified hydrogen energy as a strategic developing point in the new wave of energy revolution and industrial competition, unveiling national strategies and escalating investments to seize technological and market advantages. Compared to global trends, China is transitioning from introducing to cooperating and developing, actively building a global hydrogen energy industrial chain that demonstrates development momentum. In the first year of the 15th Five-Year Plan, the hydrogen energy industry is entering a pivotal phase, shifting from demonstration and exploration towards large-scale and commercialized development.

As one of the most influential gatherings in the global hydrogen and fuel cell sector, the International Hydrogen and Fuel Cell Vehicle Congress & Exhibition (FCVC) is poised to mark its milestone tenth anniversary. Against this backdrop, the 2026 International Hydrogen and Fuel Cell Vehicle Congress & Exhibition (FCVC 2026), jointly organized by the China Society of Automotive Engineers (China SAE) and the International Hydrogen Fuel Cell Association (IHFCA), will convene in **Kunshan City, Jiangsu Province**, from **June 10 to June 12, 2026**. The conference will feature one Plenary Session and multiple themed sub-forums and exchange meetings. The event also includes a 3-day professional technology and equipment exhibition, encompassing exciting activities such as technical tours and new product launches.

INTERNATIONAL HYDROGEN  
FUEL CELL ASSOCIATION

CHINA SOCIETY OF  
AUTOMOTIVE ENGINEERS

The event will establish a premier platform for brainstorming, presentations, and global cooperation networking.

We hereby sincerely welcome global industry peers, experts and friends to join us in this international event.

**Organized By:**

China Society of Automotive Engineers (China SAE)

International Hydrogen Fuel Cell Association (IHFGA)

**Time:** June 10 to June 12, 2026

**Venue:** Huaqiao International Expo Center (No. 1598, Greenland Avenue, Huaqiao Economic Development Zone, Kunshan City, Suzhou City, Jiangsu Province)

**How to Participate:** A registration fee will be charged for the conference. Attendees must register and pay the fee on the conference's official website. Exhibition fees will be charged for participating companies, while visitors can attend the exhibition for free. (See Appendix 1 for details.)

Appendix 1: Meeting Registration & Exhibition

December 30, 2025

## Appendix 1: Meeting Registration & Exhibition

		Early Bird Price	Standard Price	
Conference Registration	Regular Pass		2,000 CNY	2,500 CNY
	Member Pass	Member	1,500 CNY	2,000 CNY
		Student Member	Free (CSAE student membership required, lunch and conference materials not included)	
	Group Pass		3-5: 15% off 5+: 20% off	
Exhibition	Standard Booth (3m*3m)		25,000 CNY	
	Raw Space (36 m <sup>2</sup> minimum)		2,500 CNY /m <sup>2</sup>	
Exhibitors & Sponsors	Please refer to the exhibitors & sponsor package			
Exhibition Visiting	Free			

### Notes:

1. Conference Registration: Please log on to the official website of the conference <http://www.fcvc.org.cn/EN/Home/> or the FCVC official WeChat account to register and pay the conference registration fee. The conference registration fee includes lunch, conference materials, onsite shuttle bus, etc., excluding personal transportation and accommodation.
2. Members include members of China Society of Automotive Engineers and members of International Hydrogen Fuel Cell Association; Members of the International Hydrogen Fuel Cell Association (IHFCFA) can enjoy discounts or free tickets according to their member category.
3. Remittance by **May 11, 2026**, for discounted Early Bird Ticket
4. Groups can enjoy preferential policies for ticket purchases, please consult the Organizing Committee for details.
5. To celebrate the Tenth anniversary of FCVC, exhibitors with five years or more of participation shall receive a 10% discount, while a 5% discount is provided for renewal from 2025 FCVC.
