

## Invitation of the 5<sup>th</sup> International Hydrogen Fuel Cell Vehicle Congress (FCVC 2020)

The International Hydrogen Fuel Cell Vehicle Congress (FCVC) is a premier international summit to connect hydrogen fuel cell (HFC) technology developers, FCV automakers, investors and government policy makers, aiming to foster global collaboration across the entire HFC value chain to accelerate FCV commercialization.

### The FCVC 2019 attracted 1555 participants, highlights as below:

- 100+ distinguished speakers;
- 600+ prominent government officials, UNDP officials and business leaders from over 20 countries and regions;
- 111 exhibitors showcased their the-state-of-the-art technology and products;

The FCVC 2020 2020 will take place on 14-16 September 2020, China. China Society of Automotive Engineers (China SAE) and the International Hydrogen Fuel Cell Association (preparatory) (IHFA) will jointly organize this annual conference, which was first held in 2016.

The FCVC 2020 online registration will be available in May, 2020. The FCVC organizers will provide complementary shuttle bus service, for more information, please refer to *Travel and Accommodation Information Guide*.
